Universal Ultrasound is not responsible for any damages incurred during shipping. Please be sure to properly pack your item(s) prior to shipping. We recommend using the original shipping carton if it is available, and bubble wrap, foam inserts, or a similar packing material to prevent damage during shipping. Please contact our Shipping Manager, John Giannico at (914) 666-6200 or jgiannico@universalultrasound.com with any questions.

Additional Comments:
